2. We note your response to prior comments 1-4, and note the number of shares of common stock to be offered for resale by Rubric Capital Management LP and its affiliates relative to the number of outstanding shares. Please provide us with additional analysis of your basis for determining that it is appropriate to characterize the resale of shares by Rubric Capital Management LP and its affiliates as a secondary offering under Securities Act Rule 415(a)(1)(i). In the alternative, please remove Rubric Capital Management LP and its affiliates as selling shareholders.
